

**A3 COLOUR MULTI-FUNCTION PRINTERS**  
**WORKFORCE ENTERPRISE WF-C20600/C20750/C21000**
**THE NEW STANDARD OF EFFICIENCY  
 IN BIG OFFICE PRINTING.**

The WorkForce Enterprise WF-C20600 / C20750 / C21000 multi-function printers are on the cutting-edge in enterprise-class printing. Speeds of up to 100 ipm<sup>^</sup> make high workload handling a breeze. A yield of up to 100,000 prints<sup>^</sup> enables seamless printing. Environmental impact isn't a cause for concern with a power consumption as low as 300 Watts. Plus, these printers are equipped with Epson's Heat-Free Technology - an innovation that ensures that there is no heat generation while printing. The Epson Print Admin helps control and secure the printing environment. And, features such as wireless printing bring added convenience to the table.

Weight (including supplies): 186 kg (410 lbs)

\*Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

\*\*The maximum number of printed pages per month based on the performance capabilities of the printer, including ISO rated print speeds and paper handling capabilities.

\*\*Default mode in accordance with ISO7779 for MFPs.

\*\*In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. All ink colours are used for printing and printer maintenance, and all colours have to be installed for printing.
